MEMORANDUM FOR: Deputy Director for Support

SUBJECT: Supergrade Promotions

REFERENCE: Action Memorandum A-436

1. You are authorized to process those supergrade promotions currently being held by the Director of Personnel which are already within the supergrade categories, i. e. GS-16 to GS-17 and GS-17 to GS-18, and, on a one-for-one basis, those GS-15s who are being promoted to replace losses at the supergrade levels since 4 February 1965.

2. Pending a further review early next week of Agency action on the Scientific Pay Scale (SPS) and supergrade ceilings established by the Bureau of the Budget allowance letter, you will continue to hold those promotions to supergrade levels which would result in a net increase in the number of supergrades on duty in the Agency as of 4 February 1965. These latter actions will ultimately go forward against the average salary considerations established for each "grandfather" career service and against whatever ceiling on supergrade and SPS on-duty levels is finally agreed to with the Bureau of the Budget.
